

Chemotherapy Education Evaluation

Please take a few minutes to complete the class evaluation. Your feedback is greatly appreciated. Your responses will assist us in improving our class for you and future participants.

Class Objectives:

After attending Chemotherapy Class, you should be able to:

1. Identify possible side effects of your chemotherapy.
2. State at least 3 ways to manage your risk for side effects.
3. State when and how to report symptoms to the healthcare team.

Date: _____
