Membership at KCI includes many privileges, such as:

- Priority for Shared Resource (Core) services
- Clinical research support for protocol management
- Eligible to apply for development funds, including KCI Strategic Research Initiative Grants (pilot funding)
- Attendance at KCI-sponsored events, including retreats, seminars, and Program meetings
- Newsletters, email list serve recipient

Renewal of membership (annually) shall be based upon productivity and participation in KCI activities, including:

- Regular and documented attendance at Program meetings, retreats, and KCI Grand Rounds seminar
- Provision of annual scientific progress reports to respective Program Leader
- Record of cancer-related grant submissions
- Documentation of significant patient referral and/or enrollment onto KCI clinical trials
- Acknowledgement of the use of CCSG Shared Resources (Cores) in research publications
- Academic appointment in good standing
