

Lay Health Advisor

Karmanos Academy Real Talk: Breast Cancer

**Come learn how easy it can be to share
health information with your friends and community
as a Lay Health Advisor!**

***Real Talk: Breast Cancer* is a video program aiming to
increase knowledge about breast cancer and improve
screening in metro Detroit.**

- Attend a training to learn how to share breast cancer risks, screening, and detection knowledge.
- Host community programs to promote women's health.
- Earn a stipend, certificates of completion, and digital badges.

Apply if you:

- Are age 21 and older
- Work, reside, or worship in metro Detroit
