

THE ALLY PROJECT

McLaren Port Huron believes sexual orientation or gender identity should never be a barrier to receiving excellent health care.

The Ally Project endeavors to create an equitable and affirming environment for LGBTQ+ patients, staff and community members.

Let's work together to make McLaren Port Huron a place where all people are valued and treated with love and understanding regardless of sexual orientation or identity. If you would like to support The Ally Project at McLaren Port Huron, call the Foundation office at 810-989-3776 to make your donation.

HEI DESIGNATION

Following the core objectives of the Human Rights Campaign Foundation's National LGBTQ Health-care Equality Index (HEI), McLaren Port Huron will be seeking designation as an LGBTQ+ inclusive facility in 2022. HEI is the national benchmarking tool that evaluates health care facilities' policies and best practices in LGBTQ patient-centered care in four key areas: non-discrimination and staff training; patient services and support; employee benefits and policies; and patient and community engagement.
