

MEET McLAREN DIAGNOSTIC IMAGING SERVICES

SUPPORTING PROVIDERS WITH TIMELY, ACCURATE RESULTS

McLaren Flint diagnostic imaging is designed to support referring providers with fast, reliable imaging and actionable results. Our upgraded technology, expanded radiologist coverage, and optimized workflows ensure you receive the information needed to make timely, informed clinical decisions.

Fast turnaround for imaging studies

- Most studies are read within 72 hours; critical findings communicated immediately.
- Improved processes and increased radiologist availability minimize delays in clinical decision-making.
- Supports ED, outpatient, and inpatient workflows with faster diagnosis and treatment planning.

COMPREHENSIVE IMAGING SERVICES FOR REFERRING PROVIDERS

We provide a full spectrum of imaging modalities to support all specialties:

- CT (including lung cancer screening)
- Ultrasound

- MRI / MRA / MRV
- X-ray
- Bone Density (DEXA)
- 3D Mammography
- Nuclear Medicine
- PET/CT

All studies are performed by trained technologists and interpreted by board-certified radiologists, ensuring accuracy, clinical relevance, and clear reporting.

WHY REFER TO McLAREN DIAGNOSTIC IMAGING?

- Quick turnaround times for timely clinical decision-making
- Advanced imaging technology across multiple modalities
- Convenient locations and flexible scheduling
- Walk-in options for select imaging
- Clear, actionable reports that integrate smoothly into clinical workflows
