ADDITIONAL SERVICES

Pay bills and other services

After you login, you will be taken to your My Karmanos Chart homepage. The four icons on the homepage link you directly to the key areas of your portal: Messages, Health Records, Download My Data and Additional Services.

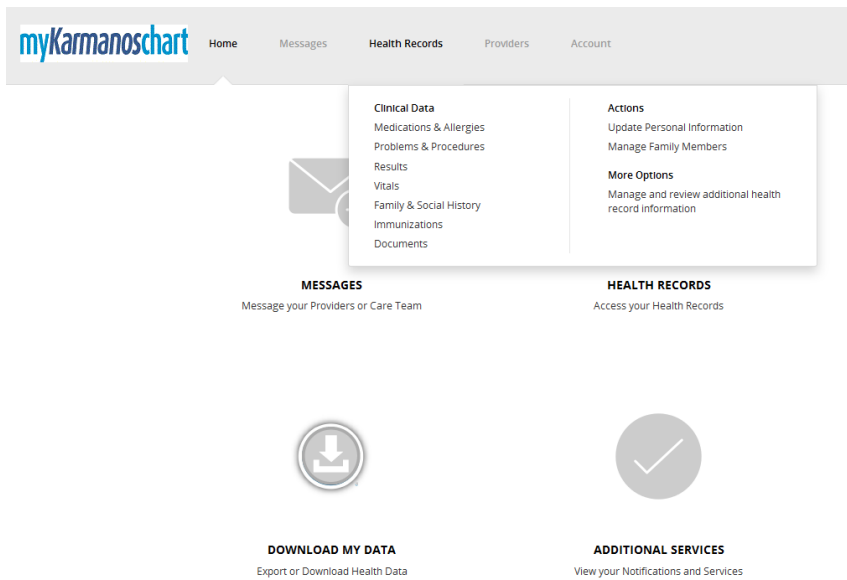

The **Messages** icon will link you to any messages sent to you from your Karmanos provider.

The **Download My Data** icon will link you to a downloadable version of your clinical summaries, care instructions as well as any additional information supplied to you through the portal from your provider.

The **Additional Services** icon links you to the FAQs in case you need additional assistance with the portal.

The **Health Records** icon is your link to all of your medical information available through the My Karmanos Chart portal.

Health Records

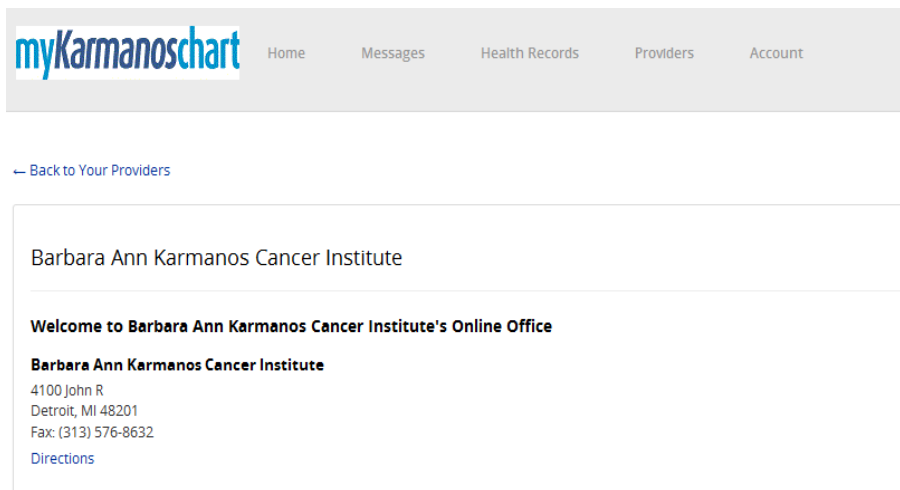

The Health Records icon is your medical information hub. When you click on the icon you will first see your medication and allergy information. To find more of your medical information simply click on Health Records at the top of the page and a drop down list will appear. From this drop down list you can select to view:

- Medications & Allergies
- Problems & Procedures
- Results
- Vitals
- Family & Social History
- Immunizations
- Documents

This chart will only reflect information supplied to the portal from your Karmanos physician(s). However, you can add additional health information to your portal using the “Add” button in each area of Health Records section of the portal.

Providers

When you click on the Providers tab at the top of the page, you will see the name of the Karmanos location, or locations, where you have had your appointments.

You can then click on the name of that location to view the mailing address and get directions
